At the heart of the home, the expansive open-plan living, dining, and kitchen area is an entertainer's dream.

Featuring stone benchtops, high-end Miele appliances, bespoke cabinetry, and an oversized island bench, this kitchen is as striking as it is functional. Large sliding doors open seamlessly to the outdoor alfresco, where a built-in BBQ, outdoor kitchen, and timber-lined ceiling create a resort-style entertaining hub. Overlooking the sparkling in-ground swimming pool, this space promises year-round enjoyment for family and friends.

Comfort is prioritised with ducted reverse cycle air conditioning ensuring climate-controlled living across both levels. Downstairs, a private guest bedroom is serviced by a luxurious ensuite and walk-in wardrobe, offering ideal multi-generational or guest accommodation. A powder room and an additional toilet enhance the convenience of the lower level.

Upstairs, a spacious retreat provides a flexible second living zone, ideal for a home theatre or children's area. The master suite is a true sanctuary, boasting a large walk-in wardrobe and an opulent ensuite with floor-to-ceiling tiles, dual vanity, and premium fittings.

Bedrooms two and three also feature walk-in wardrobes and share access to a stunning family bathroom, complete with a powder room, separate toilet, and freestanding bath.

The rear yard is designed for practicality, featuring a large shed providing additional storage or workspace, while the lock-up automatic double garage with internal access ensures security and everyday ease.
