House 4  1  1 

Potential Plus

This large property in its current configuration comprises 4 bedrooms, a formal lounge room, a combined family/dining area, a fully enclosed area that may be best described as an animal grooming facility, plus a large garage and workshop facility.

The building is currently used for storage, however could be fixed up to serve as a large home or to accommodate a myriad of business uses (subject to council approval) under its "Employment General" zoning.

The possibilities of this property are only limited by your imagination and renovating ability, so why not call 4782 2822 to see if you can maximise its potential.
