Fresh paint, new carpet and floating floorboards refresh the living spaces, while the kitchen has been updated with new benchtops and the bathroom has also been refreshed. All bedrooms include built-in wardrobes, with new evaporative air conditioning and a near-new wood fire providing year-round comfort.

Outside, a new roof provides further peace of mind, while the secure, neat and tidy yard is easy to maintain. A single garage offers flexibility as either secure parking or a workshop, complemented by a separate single carport.
