On the lower level you'll find two large bedrooms, each with its own ensuite, making this a practical choice for guests or extended family. A welcoming entry opens into the spacious lounge, flowing through to the colonial-style kitchen and dining space, and out to the family-sized alfresco deck that's ideal for entertaining.

A striking hardwood staircase with cast-iron railing leads upstairs to a separate retreat area, complete with polished timber floors and high cathedral ceilings. This flexible space can easily be adapted for children, teenagers, or as an additional living arrangement.

The home is elevated to capture the breezes, with beautiful colonial doors opening to invite airflow through the living areas. The kitchen is well-appointed with stainless steel appliances, stone benchtops and a walk-in pantry, while ducted air-conditioning, solar power, and a double garage with storage add everyday comfort and convenience.

Surrounded by landscaped gardens with mature trees and space for a pool, the property combines timeless colonial charm with modern practicality. Located just minutes from shops, schools, Westfield Helensvale, public transport and the M1, and only a short drive to the Broadwater, Surfers Paradise and the Gold Coast's famous theme parks, this home offers a lifestyle to love.
