PRICE REDUCED \$948,000

Lifestyle

'Geebung Flat' Off-The-Grid Tranquility

Area: Approximately 40ha (98.8 acres)

Location: Approximately 8kms from Copeton Dam and approx. 25kms from Inverell

Entirely off-grid, lifestyle property. Surrounded by an approx. 60acre conservation area at the front of the property, 'Geebung Flat' offers tranquillity and comfort with an additional 30acres of timbered and grass areas for stock. With an exceptionally designed 3 bedroom, 2 bathroom home, for comfort, longevity and a growing family. This self-sufficient property is not to miss!

- Constructed in 2013 using Timbercrete blocks on a concrete slab
- 3 bedrooms, 2 bedrooms with built-in wardrobes, all with ceiling fans
- Office/4th bedroom option with library shelving
- Main bedroom with ensuite including shower and toilet
- Main bathroom with bath, shower and separate toilet within bathroom
- Large and spacious tiled open-plan lounge/dining/kitchen/sitting area
- Open plan area with wood heater, raked ceilings and ceiling fans
- Kitchen with electric oven, gas stovetop, dishwasher and large island bench
- Covered outdoor entertaining area
- Roof sprinkler system, Fully fenced orchard
- Approx. 7m x 7m shed with 2 high clearance roller doors. Shed has a double car skillion either side
- Solar panels and system with batteries and Kruger 5KVA back-up generator
- Batteries were replaced 12 months ago ? this powers the residence and sheds
- Steel round yard for horses with tie rail outside gate
- Generally flat, sandy granite soils with waterway through the center of the property. McKay stringy bark timbers

Carrying capacity: Not known, as it has been generally operating as a Wildlife bird and Koala sanctuary. The property is a corridor for Koala's and Gliders.

Paddocks: Ringlock fencing around the property with 1 top barb wire

Approximately 62acres of the property is fenced for a Biodiversity conservation area with approx. 4 years left on the lease
