Ultimate sea change property – ready to relax?

4 Bedrooms | 2 Bathrooms | 2 Car Spaces | 724 m² Block

Fully Renovated unpack and enjoy.

Discover a beautifully maintained home in one of Sandstone Points most tranquil and sought-after pockets.

Positioned on a generous 724 m² block, this residence delivers space, comfort and a laid-back lifestyle just moments from the waterfront.

Why you will love it:

- A spacious master retreat with walk-in robe and ensuite, plus three additional bedrooms each with built-in wardrobes — plenty of room for family or guests.
- Light-filled open-plan living, dining and kitchen zone leads out to a covered alfresco patio — perfect for entertaining or enjoying quiet coastal evenings.
- Double remote garage with glass sliding doors to the rear yard, plus a covered front carport and side access — boat, trailer or extra vehicles easily accommodated.
- Thoughtful inclusions: disability-friendly main bathroom, water tank for eco-living, low-maintenance yard — amazing for a busy family or those wanting more leisure time.
- Location is everything: tucked away in a peaceful street yet within walking distance to the waterfront, local shops, schools and medical services.

Lifestyle & investment appeal:

Sandstone Point is a growing coastal haven, and this address offers the best of mainland convenience with island-style living. Homes of this calibre are highly sought after — an ideal purchase for families, downsizers or savvy investors alike.
