## Septic Installed - Spacious 2 Bed, 2 Bath Home at Lock-Up St

Here's your chance to step into a nearly completed home and bring your own vision to life. This 132m<sup>2</sup> residence has already reached lock-up stage, with all structural work complete — giving you the freedom to design and finish the interior exactly how you want it.

**Open for Inspection**

By Appointment.

The home design offers two generous bedrooms and two bathrooms, along with an incredibly spacious open-plan living, dining and kitchen area designed for comfort and entertaining. A massive front deck creates the perfect outdoor extension of the home, ideal for relaxing afternoons or hosting guests while enjoying the outlook.

With the septic system already installed and the hard structural work done, the remaining fit-out is your opportunity to personalize every detail — from finishes and fixtures to layout touches that truly make it yours.

Whether you're a savvy investor, builder, or buyer looking to create a custom space without starting from scratch, this property delivers a rare blend of flexibility and potential.
