Perched up a little higher, your vantage point offers views of the glistening St. Vincent Gulf and peeps of the rolling hills – a view you'll enjoy best while enjoying a little alfresco dining on the sizeable balcony, but you'll still catch glimpses from both cosy living areas.

The flow between the indoor & outdoor spaces creates a wonderfully serene feel. On a balmy summer day, you can slide open the glass doors to let that coastal breeze and warm sun stream in. But the magic doesn't fade with the warmer weather. In the cooler months, you can cosy up on the sofa by the fireplace or pop the balcony blinds down to eliminate the breeze and enjoy a nice glass of red.

Across oodles of spectacular living & entertaining areas, five grandiose bedrooms, and 2.5 sparkling bathrooms, there is plenty of room for up to 10 guests to move and shake. The set-up couldn't be better for those prepping for a wedding or a multi-generation family holiday. No guest will feel as though they drew 'the short straw'.

Wauwa-ana is the perfect base for exploring the myriad of attractions on the South Coast of ALD; world-renowned wineries, small batch distilleries, craft breweries, delectable restaurants, instagrammable beaches, you name it. But of course, you can also simply spend your time relaxing in the comfort of your sumptuous home away from home, soaking in the serenity of it all.

If you're planning on bringing your Boat or Jetski (you've picked the right destination!), but you're also sure to appreciate the ample secure parking.

Truly, every detail has been meticulously planned to ensure your comfort; from temperature to function and security to entertainment. There will be no questions about returning, only how soon.
