Spacious Executive Family Home in Prime Location

Do not miss out on this grand family home. From the moment you step through the door, you will enjoy the abundance of natural light and big windows overlooking the green gardens.

The ground floors offers a formal sitting room with the option of having different sitting area. You will find beautiful built in display shelving and storage. The family room with open kitchen has a beautiful wooden floor and multiple sliding doors opening to the undercover terrace to enjoy in warmer summer months.

On this floor you will also find the fifth bedroom or office and a separate powder room.

Upstairs you will find three generously sized bedrooms, a separate bathroom and the master retreat with private balcony, ensuite, walk-in-wardrobe and built-in-wardrobes with floor to ceiling mirror doors.

You will also find a second sitting area or office with wooden floors on this floor.

The garden is private and green and offers an undercover terrace and lawn to play on.
