ONE OWNER IN A FANTASTIC LOCATION

This well built brick home was built for the owners and has been in the same ownership all its life. It sits on 971sqm block in a leafy location close to the centre of Orange. With three large bedrooms all with built-in wardrobes, the master has the original en-suite. There is a large office, which could well be a fourth bedroom. The lounge room has a northerly aspect perfect for capturing the winter sun. The kitchen is airy and open and has a dishwasher, pantry and breakfast bar. The bathroom is central to the bedrooms and has both a bath and shower. There are floor coverings throughout, however there are polished boards underneath, with ducted gas heating throughout the whole house. Outside is a back verandah and ramp leading to a very private beautiful garden. There is also a single lock up garage. This one won't last long, so call for an inspection.
