Set on approximately 1,243m², the property has a wonderfully natural feel, with lush gardens and greenery creating a sense of privacy and calm from the moment you arrive. Thoughtfully finished throughout and completely turn-key, every space feels considered, comfortable and ready to enjoy.

Inside, the home offers four bedrooms, two bathrooms, two separate living areas and a dedicated study, providing plenty of room for growing families and those needing additional space to work from home.

At the heart of the home is a well-appointed kitchen complete with a butler's pantry, offering excellent storage and functionality while connecting effortlessly with the surrounding living spaces.

Adding another layer of versatility is the converted garage, now configured as a two-bedroom teenage retreat. Perfect for older children, guests or extended family, it also provides an excellent opportunity for an at-home business, creative studio or dedicated workspace (STCA), with separation from the main residence.

Step outside and the home's earthy character really comes to life. Established gardens, abundant greenery and peaceful outdoor spaces create a beautiful connection with the natural surroundings, while a garden shed and chicken coop add to the relaxed lifestyle appeal.

Positioned at the rear of the property is an impressive oversized shed, offering plenty of room for the tradesperson, car enthusiast, hobbyist or those simply needing serious storage. Its size and separation from the main home also make it an exciting option for an at-home business or workshop (STCA).

With 20 solar panels, flexible living spaces, excellent shedding and a beautiful established setting, this is a home that combines practicality with warmth and character.
