Brand new storage units

Are you searching for a clean, modern, and well-maintained storage unit for your personal or business items?

These brand-new units offer the latest features and are supported by friendly, personalized service.

Features include.

Safe and secure: Equipped with CCTV, floodlights, and keypad entry.

Friendly customer service: The staff provide personal assistance and care.

Wide range of units: Various sizes available with high clearance.

Easy drive-through access: Convenient for loading and unloading.

Flexible rentals: No lock-in contracts for hassle-free renting.

Automatic roller door options: Convenient and secure access to your unit.

24/7 access: Access your belongings whenever you need.

Large Units - 6m x 3m

Our large units provide easy access and offer high clearance, along with automatic roller door options, making it convenient to store home or business contents, as well as vehicles.

Open for Inspection

By Appointment.

To arrange a viewing, please contact Samantha at 08 9721 7733 or 0402 905 192. Please note that the specific unit number mentioned may not be available at the time of inquiry. However, a similar-sized unit will be available until it is taken, after which another size will be offered.
