This property does not comply with the minimum ceiling insulation standard.

This property is awaiting an insulation information from the Owners Corporation.

The property has no embedded networks.

Suburb Snapshot

The suburb is one of the oldest suburbs in Canberra, a relatively young city, settled in 1922 and gazetted as a division name in September 1928. It contained Canberra's first light-industrial area. In recent years this area has begun to be redeveloped as an entertainment and residential precinct. Other areas have been redeveloped with flats. It is now Canberra's most densely populated suburb.
