BRING YOUR PAINT BRUSHES

This circa 1920's 3 bedroom weatherboard home has retained most of its original features including an open fireplace in the lounge room, high ceilings and timber windows throughout.

Both the bathroom & kitchen have been tastefully remodelled in keeping with the character of this period home.

The living areas comprise of a formal lounge room as well as an informal dining/family room off the main kitchen.

This property is located in a quiet street approx 880 mtrs to the main street of Katoomba & railway station and is positioned on an approx 649m2 garden allotment with car accommodation provided for by way of a single car port.

You would be required to paint externally & provide new floor coverings to the living areas, although with a little effort you will most certainly improve the value of this property. Call 4782 2822 today.
