

15 Neenuk St, Bongaree, QLD 4507

Offers over \$975,000

House 3  1 

YOUR SEARCH IS OVER

If you've been searching for a home that combines comfortable coastal living with space, privacy and plenty of extras, your search may well be over.

Peacefully positioned in a quiet cul-de-sac and within easy reach of the Pumicestone Passage and all that Bribie Island has to offer; this beautifully presented home in the sought-after suburb of Bongaree, is perfectly suited to those looking for a relaxed coastal lifestyle without compromising on convenience.

The home offers three generous bedrooms, all with built-in robes, with the main bedroom featuring direct access to the bathroom. A generous sized living space, two toilets, a separate laundry and a beautifully updated kitchen complete with stone benchtops and electric cooking. Easy-care laminated flooring flows throughout, while ducted air conditioning and ceiling fans ensure year-round comfort.

Step outside and discover one of the home's standout features — the private rear patio, the perfect place to enjoy your morning coffee, entertain family and friends or simply unwind in your own private outdoor retreat. The patio is fitted with an electric blind rated to withstand winds of up to 100km/h, providing excellent protection and making this a true extension of the living space.

Adding incredible versatility, the original double garage has been converted into a spacious multipurpose room. Whether you need a home office, hobby room, games room, additional living area, guest space or somewhere for the family to spread out, this flexible space can adapt to suit your lifestyle.

For those embracing the Bribie Island lifestyle, there is a double carport, side access and plenty of room for a boat and/or caravan — perfect for weekends exploring the waterways, beaches and everything our beautiful island has to offer, or the perfect home base to lock up and escape.

The 10kW solar system is another major bonus, helping improve energy efficiency and reduce household running costs. Inverter battery ready, plus the switch board has a generator back up port.

With its quiet cul-de-sac position, coastal lifestyle appeal, flexible living spaces, generous vehicle accommodation and impressive list of extras, this is a home designed for enjoying life.

Leave the hustle and bustle behind and embrace the relaxed Bribie Island lifestyle — this could be the coastal change you've been waiting for.
