PEACHi HAIR - An experience!

Be your own boss!

Located on Lake Illawarra, designated client parking out the front and has its own front garden. There is ample street parking for staff and clients aswell.

Peachi Hair is a turn key business, It now runs itself day to day. You will need to manage staff and product orders but all the main hard work has been done. Both staff members are loyal and well trained. It is hard to find reliable

and good quality staff. We also have a rent-a-chair hair dresser that rents a chair once a week and will increase rental days which makes for an easy income.

Peachi hair is the first low-tox salon in Oak Flats and the only salon that takes online booking which set us apart from other salons. Clients prefer our calm and relaxed space compared to shopping centre salons. Our clientele are after the experience.. We provide high quality service and space.

That is what the loyal clients come to Peachi Hair for.

Open for Inspection

By Appointment.
