Commanding a prized top-floor, corner position within the WOVA complex, this as-new apartment delivers a truly elevated living experience with uninterrupted panoramic views across the Woden Valley and out to the surrounding mountain ranges from every window. With its rare vantage point and expansive glass, the outlook becomes a living artwork, changing with the light, the seasons and the time of day.

Designed to maximise both space and outlook, the apartment features two generously sized, segregated bedrooms and two stylish bathrooms, including a master ensuite. The thoughtful separation of the accommodation creates privacy and comfort, while the open plan living and dining areas form the heart of the home - perfectly positioned to capture the sweeping views on offer.
