By Appointment.

Set on a low-maintenance block approx. 440 sqm, this property is packed with standout features including a heated saltwater plunge pool (approx. 4m x 2.5m) with a cartridge filter and salt chlorinator, perfect for year-round relaxation.

Enjoy dual access – gated entry on one side of the home and convenient rear access from the garage on the other.

We'd love to know how you feel when you step inside this home...

Because for us, the moment we walked through the door, we felt calm, cool, and completely at ease. But it was the backyard that truly stole the show stepping outside felt like entering a private retreat. Surrounded by greenery, twinkling fairy lights, and your very own heated plunge pool, the vibe is pure relaxation. It's the kind of place where you can kick off your shoes, sip something cold, and let the world melt away. It's not just a home... it's a holiday in your own backyard.

We could walk you through every room, describe every detail... but honestly? This is one of those homes you just must experience for yourself. From the moment you step inside, you'll feel the difference and we're confident you'll love it just as much as we do.

But just to give you a taste, here are a few standout features:

24 solar panels (6kW system)

Solar hot water system with timer

Reverse cycle air-conditioning & heating

Outdoor patio fireplace
