Spacious Coastal Living on Nearly 1,000m² of Prime Scar

Commanding one of Scarborough's most tightly held clifftop positions, 155 Landsborough Avenue offers an exceptional waterfront lifestyle with uninterrupted views across Moreton Bay to Moreton Island.

Set on an expansive 980m² allotment with a 16.6m frontage, this substantial two-level residence presents a rare opportunity to secure a large coastal holding with genuine side access, extensive garaging and flexible living options ideal for multi-generational families or future dual-living potential.

The upper level captures breathtaking bay views from the open-plan living, dining and kitchen area, complemented by an additional living room and a spacious master retreat with walk-in robe and ensuite. Downstairs offers a versatile layout with a large living zone, bar/kitchenette, two generous bedrooms, office and multipurpose room.

Additional highlights include lift access between levels, four-car garaging, a large shed, dedicated caravan/boat accommodation & a new 5kW solar system

Located along prestigious Landsborough Avenue, the home is just moments from Scarborough's popular café and dining precinct, marina facilities, waterfront parklands and quality schools, with Brisbane Airport approximately 30 minutes away.

A waterfront holding of this scale and position is exceptionally rare on the Peninsula.
