Soak in Sea View Serenity at The Sea Star. This two-storey, contemporary waterfront home is beautifully furnished throughout and comfortably accommodates up to eight guests, with no shortage of mod-cons to ensure your comfort no matter which season you visit in. Upstairs you'll find the heart of the house, with an expansive open-plan kitchen, living and dining space and the sumptuous balcony. This is perhaps where you will spend most of your time when you're not exploring all the area has to offer you. Simply sit back and relax with a glass of your favourite Wine in hand and watch the world go by you. The full-length windows let floods of light in and provide a wonderful sunny spot to curl up on the sofa in the afternoons, and of course offer stunning views over looking the stunning St. Vincent, Gulf. To ensure year-round comfort there is ducted reverse-cycle air-conditioning to all rooms, but you'll enjoy opening up the sliding doors to let the sea breeze in.

The golden sands and turquoise waters are practically on your doorstep. Simply stroll across the Esplanade and down the stairs to a secluded part of the beach where you can explore the reef rock-pools when the tides out. Or load up the car for a day trip and head to the drive on access point just a 2- minute drive away. If you are visiting in Summer, you can enjoy a front row seat for the Tour Down Under all from the comfort of the balcony.

Aldinga Beach has a variety of places to taste stock up on the best local produce, but you'll have fantastic choices just a few doors down at SOURCD Wine Coffee Bar, Aldinga Bay Cafe and Breeze Cafe & Bar. Come and discover the Fleurieu Peninsula including the renowned McLaren Vale Wineries and restaurants, Willunga for its heritage and markets, Port Willunga for its spectacular coast and the swimming on the golden sands of Aldinga Beach. Visit in any season, and enjoy the coastal lifestyle at The Sea Star.
