House 2  1  1 

SOLD BY THE WAL MURRAY TEAM

From the front deck take in the views over Lismore towards the western range while palms in the front yard offer privacy and shelter.

Open for Inspection

By Appointment.

This unique weatherboard home features two main bedrooms and is currently accommodating a single bed in the study.

The living room is steeped in character along with all of the house. Marvel at the decorated ceilings, timber windows and brick fireplace in the living room. The timber floors are of such top quality you would be hard pressed to find better.

The kitchen is spacious, practical and versatile so to fit a number of different needs. With dishwasher, electric stovetop oven and a good size alcove for a large fridge among ample storage.

From there, the enclosed dining room can be transformed into a back verandah by opening sliding windows, allowing the smell of garden herbs to come through.

To say the bedrooms are spacious would be an understatement. The second bedroom is 4.9 x 4.3 metres, making it perfect for two children to share or an older teenager needing more space. The main bedroom has a separate toilet and can open out to the front verandah allowing an evening breeze to come through. Both bedrooms have ceiling fans.

The bathroom with porcelain sink, shower over bath and concrete floor are built to last.

The internal laundry has easy access to the clothesline at the back of the property. The single garage is open to the rest of the storage space under the home. From there is a tidy room with slat windows that has been a great office space in the past.

The backyard is low maintenance and perfect for a small herb or vegetable garden surrounded by pavers.

If you are looking for a house to make your own, a stone's throw away from town, then we hope to hear from you soon or see you at one of our scheduled open homes.
