Finish What's Been Started

A great opportunity here to complete the renovation of this solid old gem located in a quiet pocket on the edge of town.

The home offers a 4 bedroom plan, an eat-in kitchen with gas stove, a lounge room, and a combined bathroom and laundry.

There is a covered entertainment area off the rear of the home, and the yard has a variety of mature fruit trees.

A single garage with attached workshop off the rear lane completes the picture.

Ideally suited to a builder or handyman.
