A perfect fusion of period charm and contemporary style, this fully renovated home, Twywell, offers an exceptional blend of refined elegance and family-friendly design. With natural light flooding every corner, the spacious layout features four luxurious bedrooms and a versatile study/library that can easily double as a fifth bedroom. The ensuite and main bathroom are flawlessly finished, while a cleverly designed family laundry with ample storage, a drying cupboard, and a functional cellar adds even more convenience.

The north-west orientation brings in beautiful light to the open-plan living, dining, and entertaining areas, complete with a stunning designer kitchen featuring a large island bench, stone countertops, and high-end Smeg and Bosch appliances, including an overflow dishwasher and room for a wine fridge. Three sensational fireplaces, all in excellent condition, add further charm to this already stunning home.
