Coral Tree Cottage | Timeless Whale Beach Character

There is something instantly uplifting about Coral Tree Cottage. One of Whale Beach's increasingly rare original 1950s beach houses, this character-filled coastal retreat captures the simplicity, charm and easygoing spirit that has long made this pocket of the Northern Beaches so special.

Sat, 12 Sep 2026 - 9:30 AM to 10:00 AM

Set on a wonderfully level parcel and perfectly positioned just a short stroll from Whale Beach, the Ocean Café ½, Surf Life Saving Club and rockpool, the home enjoys an enviable connection to both the village atmosphere and the shoreline. Its distinctive P&O-style architecture and generous banks of windows invite the outdoors in, drawing cooling sea breezes through the interiors while framing ocean views and the ever-changing hues of sunlight dancing across the water.

Inside, fresh, crisp interiors are complemented by whitewashed timber floors and an eclectic coastal aesthetic that feels relaxed, bright and uplifting year-round. Two separate living areas provide plenty of room to spread out, while the home's original character remains beautifully present, giving Coral Tree Cottage a warmth and personality that newer coastal homes simply cannot replicate.

Three bedrooms offer flexible accommodation for family and guests, including two bedrooms on the upper level and additional accommodation downstairs. A privately accessed 'shed-room', together with a second bathroom and laundry facilities, provides further versatility for teenagers, extended family or visiting friends.

Outdoors, the lifestyle is quintessential Whale Beach. A large in-ground swimming pool creates a sun-soaked focal point for summer days, while level garden surrounds and relaxed entertaining spaces invite long lunches, afternoon barbecues and evenings spent outdoors after a day at the beach.

Charming, unpretentious and wonderfully connected to its surroundings, Coral Tree Cottage is a nostalgic reminder of an earlier Whale Beach; a place where windows are thrown open to the sea breeze, bare feet are encouraged and days naturally revolve around the beach, the pool and the people around you.

A rare original with enduring character, Coral Tree Cottage captures the timeless appeal of life by the sea.
