Positioned on a generous, flat block in a quiet Flinders View street, this well-presented lowset home offers comfortable living paired with outstanding outdoor functionality - ideal for families, tradies, or buyers seeking space and practicality.

The home features three well-proportioned bedrooms, a modern kitchen and updated bathroom, creating a fresh and functional interior that's ready to enjoy. The layout is easy-living and low-maintenance, making it suitable for a wide range of buyers.

Vehicle accommodation is well catered for with a carport offering drive-through access to the rear yard, providing convenience and flexibility for additional vehicles, trailers, or recreational equipment.

A standout feature of the property is the expansive undercover outdoor entertaining area, providing the perfect space for weekend barbecues, family gatherings, or simply relaxing while overlooking the backyard.

Adding further appeal is the large, flat backyard and impressive three-bay powered shed. Whether you need a workshop, storage for tools and toys, or space for hobbies and projects, this setup offers excellent versatility rarely found at this price point.

Energy efficiency is supported with 18 solar panels connected to a 5kW system, helping reduce ongoing power costs and adding long-term value.

Located in a convenient Flinders View position, the home is close to local schools, shops, parks, and major road links, ensuring everyday amenities are just minutes away.
