## DUAL LIVING. ACREAGE. 15 MINS FROM CBD OF IPSWICH.

Two independent destinations under one roof.

When you are driving to us please put the windows down, take it slow and breathe in the bush, trees and landscape. This destination will change your life.

This classic style residence of distinction & style offers an opportunity to live in a rare find, dual living, expansive home. Resting on an immaculate 2 Hectares, of flat useable land, surrounded by native bush and open grass land.

Generously proportioned interiors combine function and form with contemporary elegance.  
Welcome to 165 SKYLINE DRIVE KHOLO.

To live here is a privilege and Kholo is a tightly held area. Come and discover for yourself what the locals already know. I invite you to discover the floor plan to engage with your family's needs.

Option one: work from home and welcome clients to a private space.

Option two: take special care of your extended family members in their independent, private, luxurious wing.

Option three: welcome casual guests.

Option four: enjoy the maximized space while maintaining zones of private space while still being connected.

COME INSIDE: DESTINATION ONE.

Introducing the main body of your abode where life and home are fully interwoven. A generous deluge of natural light and consistent palette soothes the soul.
