Sold - 17/10/2024

House 3  1  2 

## The Ultimate Contemporary Lifestyle: Low-Maintenance Living

This immaculate 3-bedroom brick veneer townhouse is perfect inside and out. Situated on an excellent size block, the property boasts bedrooms with built-in robes, with the main bedroom featuring bathroom access and a walk-in robe. The well-appointed kitchen includes a walk-in pantry, while the tiled open plan living area provides access to the outdoor entertaining area.

**Open for Inspection**

By Appointment.

Additional features of the property include ducted cooling, gas heating, and an entertaining area overlooking beautifully maintained and established gardens. The location of this townhouse is also a huge bonus, offering convenience and accessibility to amenities.

Overall, this property is a delight to inspect and presents a fantastic opportunity for those seeking a comfortable and well-maintained home.
