Deep-water jetty, boathouse and elevated tilting deck, complemented by an existing slipway requiring repair. ï¿½ an outstanding waterfront offering in one of Pittwater's most beautiful and exclusive bays.

The home has been thoughtfully designed to embrace its spectacular setting. Its distinctive sawtooth ceilings introduce natural light from multiple directions, enhancing the sense of space and creating bright, welcoming interiors.

Generous open-plan living areas incorporate the kitchen, lounge and dining, all overlooking the sparkling waters of Pittwater. These expansive spaces flow onto a substantial entertaining deck, providing the perfect vantage point to enjoy the breathtaking outlook, entertain friends or simply relax and watch the boats glide across the bay.

Accommodation is equally generous, with an exceptionally spacious master bedroom bathed in natural light, together with an additional bedroom on the upper level. Another large bedroom or home office on the mid-level, complete with its own ensuite, provides excellent flexibility for guests, family or working from home.

Framed by the magnificent bushland of Ku-ring-gai Chase National Park, the property enjoys an extraordinary natural backdrop. Explore picturesque bushwalking trails, seasonal wildflowers, waterfalls and the rich Aboriginal cultural heritage of the surrounding landscape, including ancient rock art.

Lovett Bay itself is one of Pittwater's most enchanting and exclusive enclaves. Tucked away within a protected inlet, its sheltered waters, peaceful atmosphere and magnificent natural surroundings offer a wonderful sense of privacy and escape. Yet the broader playground of Pittwater, with its yacht clubs, waterfront cafï¿½s and endless opportunities for sailing, cruising and exploring, is close at hand.

Here, the beauty of the Australian bush meets the tranquillity of a protected waterfront sanctuary, creating a lifestyle that is increasingly difficult to find.
