With three good size bedrooms the master bedroom is located at the rear of the home and is a good size and comes complete with walk in robe and ensuite.

The fourth bedroom and or second living area is very spacious and would make a good media room. The back yard in this property is very private, fully fenced and secure.

For those that love to entertain the covered entertainment area is huge and comes complete with a kitchen cooking area and wet bar. This is an exciting opportunity for buyers looking for their next home and with some minor improvements will also be very rewarding.
