House 4  2 

Large Modern Home

This modern and spacious 4 bedroom, 2 bathroom home is set on a generous 603 m² block in a popular estate surrounded by quality executive housing. Built in 2011, this Steel Frame modern home has been designed with comfort, space, and easy living in mind.

The home features a large main living area and extra self contained theatre room, providing flexibility for families or those who enjoy extra space. At the heart of the home is a large, well-appointed kitchen complete with a central island bench, double sink, and ample storage and bench space—perfect for everyday living and entertaining.

The open-plan kitchen, dining, and living area is finished with easy-care tiled flooring and is climate controlled with split-system air-conditioning, ensuring year-round comfort.

All four bedrooms are generously sized and include built-in robes, ceiling fans, window treatments, and tiled flooring. The main bedroom boasts a well-proportioned ensuite, while the main bathroom offers a separate shower and bath along with good storage in the vanity.

Additional features include undercover access to the home, providing protection from the elements, and undercover parking for two vehicles. There is also gated access to the back yard for extra parking.

This well-presented, modern home offers excellent flow, quality finishes, and a highly sought-after location—making it an ideal rental opportunity.
