All bedrooms have built in robes and split systems have been installed throughout. The main bedroom is a very generous size and has a view over the huge rear verandah and great size back yard.

The generous modern kitchen has been completely overhauled and features a five-burner gas cook top, under bench oven and rangehood. Theres plenty of cupboard and counter space.

There is a perfect nook for your dining table and room to move in the open plan living area.

The double carport to the side of the home is a generous size which extends around the corner onto the extreme Stratco rear verandah. Its shade all the way!
