THE DREAM LIFESTYLE

You simply can't walk out of this stunning home without being impressed.

Whether you need a large family home with a family friendly layout, high end inclusions, a gourmet kitchen, dedicated children's retreat, a chef style outdoor kitchen or a heated inground pool you will find it here and more. That's not to mention the rear access off South St giving you plenty of space to store the toys.

Our vendors are on their way north and are willing to meet the market in order to secure their new dream home. This won't last long given the vendors needs mixed with the special home on offer.
