House 4 2 2

Immaculate, fully renovated home ? large block with developm

This beautifully presented, lowset brick home is ideally positioned on a generous 708m² ½ block with a 20-meter street frontage and has been fully renovated to an exceptional standard. Designed for comfortable family living, this home offers a practical and flexible floorplan with beautiful Blackbutt engineered timber flooring throughout and multiple living areas plus a stylish, contemporary kitchen featuring quality, top-of-the-range appliances. The home extends effortlessly outdoors to a spacious alfresco area with drop-down blinds and is surrounded by beautifully maintained gardens and established garden beds at both the front and rear. Intricately designed, this property is a fantastic opportunity for first-home buyers and growing families seeking the highest quality home. Make sure you don't miss out!
