LOOKING FOR A BARGAIN ?

Why not take a look at this little beauty. Positioned within walking distance to Katoomba's town centre and on the south side of Katoomba, this gem is well worth inspecting. Distant views are just one of the positive features this home offers. Having been recently painted throughout and new carpets installed, all that is left to do now is the kitchen, bathroom and perhaps place a deck off the rear to extend the living areas and capture the gorgeous outlook and perfect sunsets. You don't have to spend a lot to benefit from this investment. This home is in a sought after location with quality homes surrounding, you just can't loose.
