Whale Beach Lifestyle - Fully Furnished

Views over Dolphin Bay at Whale Beach...to the Big Blue beyond.

In one of Sydney's most desirable holiday and weekender spots, you're moments from the beach, and from both relaxed cafes and high end restaurants. A short drive to Avalon Village gives you all the provisions you'll need, and local shops should fill in the gaps!

This three level classic weatherboard oozes beach house vibe in and out.

Inside, with a fresh classic white interior, timber floors, tongue-and-groove walls, big windows for the amazing views, and high beamed ceilings...

Outside, via French doors to decks perfect for all day living, grab breakfast in the morning sun, hang out in the day and enjoy it in the evening...

Renovated, this beauty has an open plan living area, with a combustion fireplace, in case it gets chilly, flowing through to an east-facing morning sun-bathed timber deck.

A great entertainers kitchen (European appliances) with an ocean view backdrop will make preparing meals a delight.

The master suite on the top level consists of panoramic ocean views, vaulted timber ceiling, fireplace, open bathroom, large balcony. Plus there's a further study/retreat/4th bedroom on this level also.

There are two bedrooms on the lower level - one with walk-in robe, the other with built ins, sharing a bathroom and separate WC.
