

19 Daimler Dr, Bundall, QLD 4217

Offers Over \$2,800,000

House 3 2 2

North-to-Water Waterfront Estate with Beach, Pontoon & Main

Positioned in one of Bundall's most tightly held waterfront enclaves, this exceptional single-level executive residence delivers the rare combination of north-to-water living, substantial accommodation, exceptional entertaining spaces and direct boating access - all within minutes of the very best the Gold Coast has to offer.

Open for Inspection

Sun, 13 Sep 2026 - 10:00 AM to 10:30 AM

Set on an impressive 803m² waterfront allotment with approximately 20.5m of water frontage, the residence enjoys beautiful river views and a coveted position on the Main River, with a sandy beach, pontoon and direct water access for your boat or jet skis.

Inside, the scale and versatility of the home immediately impress.

The enormous master suite is a true retreat, featuring a huge ensuite, generous walk-in robe and additional wardrobes, while a second bedroom also enjoys the benefit of a walk-in robe.

The main living zone is designed for entertaining, with a massive lounge room, separate dining area and wet bar, while the adjoining kitchen and meals zone creates an additional everyday living space. The impressive kitchen is appointed with quality stainless-steel appliances and overlooks the living and entertaining areas.

Step outside and the focus shifts effortlessly to waterfront entertaining. A large covered outdoor entertaining area flows directly to the sparkling inground pool, creating an enviable setting for entertaining family and friends while enjoying the peaceful river outlook.

Adding an exceptional layer of versatility is the separate self-contained granny flat, complete with its own bedroom, bathroom, lounge room and kitchenette. Ideal for extended family, guests, teenagers, or those wanting additional independent accommodation.

The enormous double garage provides secure parking and substantial additional storage. Importantly, plans are available to convert this area into two additional bedrooms and bathrooms, offering future flexibility for buyers seeking to further expand the accommodation.

Comfort is assured year-round with ducted reverse-cycle air conditioning, while security is enhanced by an automatic entrance gate and separate pedestrian access.
