The makeover for a takeover

The current owner needs the property sold. An ideal investment with a tenant in place paying \$290 per week. The lease is in continuation so you could also move in if required. The property has recently been refurbished with carpet / vinyl and freshly painted interior. The kitchen and bathroom have also been attended to. The rumpus room out the back gives another living space. The level fenced yard will be handy for the kids and or pets if required. All this so handy to shops and schools. Price to be sold...
