Welcome to "The Church" - 19 Kerr Avenue

There is a quiet soul to 19 Kerr Avenue that simply cannot be replicated.

Originally built in 1955 as St Michael's and All Angels Church, this iconic timber landmark served as a place of gathering for over sixty years. After being thoughtfully reimagined into a modern residence, it is now being offered openly to the market for the very first time.

Behind the preserved exterior, the home is defined by light and sheer volume. The soaring vaulted ceilings and expansive open-plan living create a calm, airy interior where reclaimed timber and bespoke leadlight windows meet sleek, modern finishes. Every detail has been handled with care to ensure the building's heritage is honoured while providing the comforts of a high-end renovation full of character and charm.

This isn't just a home; it's a once-in-a-generation opportunity to own a piece of Southport's history. Positioned in the heart of Chirn Park - moments from artisan cafes and top-tier schools - it offers a lifestyle of quiet character and an undeniable "wow" factor.

The Details:

- Fully Renovated: A high-spec transformation where character meets contemporary comfort.
- Three Bedrooms: Each featuring its own private ensuite.
- Architectural Detail: Dramatic vaulted ceilings and original features throughout.
- Flexible Living: A versatile lower-level retreat for guests, work, or recreation.
- The Oasis: A Naked freshwater pool backing onto the greenery of Loder's Creek parkland.
- The Precinct: A short walk to Chirn Park's dining scene and the Broadwater.

19 Kerr Avenue is more than a house - it's a sanctuary in the heart of one of the Gold Coast's most evolving pockets.
