Inside, the home offers a functional and comfortable layout designed for easy living. The primary bedroom is particularly impressive, generously proportioned and perfectly positioned to serve as your own private retreat. The original two-way bathroom adds a layer of practicality, maintaining its classic charm while servicing both family and guests with ease.

Step outside and the lifestyle truly comes to life. Wide open space surrounds you with rolling green lawn ready for you. Two sheds provide excellent storage or workshop options, while the standalone drive-on car ramp is a standout feature for motoring enthusiasts or hands-on homeowners. With accommodation for up to six vehicles, there's ample room for everything from daily drivers to weekend toys.

This is more than just a property, it's a chance to embrace acreage living without sacrificing convenience. A place where you can create your own space and make it your place.

Time to future proof yourself.

Welcome home
