Hardwood floors are throughout the home, with the main bedroom that makes the most of the high aspect looking over the back yard.

All three bedrooms are generously sized as shown in the floor plan. A stone tiled fireplace in the lounge is great to take the edge off in cooler nights and an open plan kitchen with plenty bench space to prepare meals and entertain. There is also a downstairs laundry and small utility area with a concrete floor.

This is a unique chance to purchase a property with everything Lismore Heights has to offer. Please do not hesitate to call Harry or the Wal Murray team for more information.
