

19 Padauk Dr, Nerang, QLD 4211

Sold - 27/05/2025

House 4 3 3

19 Padauk ? Elevated Luxury with Spectacular Views

Perched high on the hill with uninterrupted views of the national park, this spacious and flexible four-bedroom, three-bathroom, three-car home offers the perfect blend of luxury, privacy, and comfort. Designed for both relaxation and entertaining, the home features multiple oversized living areas, a stunning outdoor deck, and a resort-style pool, creating a truly unique and desirable retreat.

Open for Inspection

By Appointment.

Upon entering, you are welcomed into an expansive lounge, enhanced by plantation shutters that run throughout the home. This space exudes elegance and versatility, seamlessly adapting to various needs. A separate room, perfect as a fourth bedroom, office, or hobby space, offers an outlook to the supersized deck and beyond, providing a serene and functional extension of the home.

The kitchen is both stylish and practical, boasting extensive storage, rich timber cabinetry, and sleek black granite countertops. Flowing effortlessly from the kitchen, the dining area and spacious family room provide ample space for relaxation, with enough room to incorporate a home sauna. These areas open out to the vast outdoor deck, an exceptional space designed for year-round entertaining, where you can soak in the stunning views in complete privacy.

Beyond the deck, a gated carport leads to a separate side shed, perfect for storing gardening and maintenance tools. Beautiful sandstone steps wind their way down to the tropical pool area, a true sanctuary with a large timber deck and cabana. Offering immense privacy and seclusion, this space feels like a personal resort, making it an idyllic escape from the everyday.

In addition to its luxurious features, the home is equipped with solar power, and air conditioning in all bedrooms and living spaces, as well as ceiling fans throughout, ensuring comfort year-round. A whole-house water filtration system and an under-sink five-phase reverse osmosis filtration system further enhance the home's quality and livability.
