Vaulted ceilings and bright downlights enhance the spacious open-plan living area, complemented by reverse-cycle air conditioning and a modern kitchen with dishwasher. The upper level opens onto a covered, semi-enclosed entertaining deck overlooking the generous backyard.

The master bedroom is upstairs with shared ensuite access and additional storage, while two large downstairs bedrooms feature ceiling fans and open onto a second rear deck. A modern bathroom and laundry downstairs provide an ideal separate space for children or teenagers.

Set on an impressive 974m² block with a fire pit area, the home also offers a large covered carport, hardwood timber staircase and gas heating connection. Westfield Kotara, Charlestown Square, schools, beaches and Lake Macquarie are all within easy reach.
