By Appointment.

Property Highlights:

- Four-bedroom Block Home: Spacious, elegant, and crafted with high-end finishes throughout. Every room is designed to capture breathtaking views, bringing the outdoors in for natural light and airy ambiance.
- Private Swim Spa: Relax or enjoy low-impact exercise in the comfort of your resort-style swim spa.
- Stock Yards: An opportunity for horse lovers, with a stable/shed and water tank, ideal for livestock or hobby farming. This setup provides all you need to support horses or livestock with ease.
- Three-Bay Barn Shed with Studio: Featuring a self-contained studio with a bathroom, laundry, kitchenette, air conditioning, and a wood fire heater – perfect as an art studio, guest suite, or home office. With an extra high, custom-made middle roller door, the barn shed easily accommodates a motor home, caravan, or boat.
- Orchard: Enjoy fresh fruit year-round from an established orchard that adds practicality and charm to this unique property.
- Outdoor Kitchen with Pizza Oven: Entertain in style with an outdoor kitchen complete with a pizza oven – perfect for gatherings or enjoying alfresco dining.
- 5kw Solar Power: Energy-efficient and eco-friendly, reducing your utility costs and environmental impact.
- Phone Signal Boosting Aerial: Stay connected with a boosted phone signal, making remote work a breeze.
- Wood Fire Heaters: Cozy up during colder months with wood fire heaters that enhance the home's warmth and charm.
