

2/13-15 Sorrensen Dr, Figtree, NSW 2525

Sold - \$389,000

Townhouse 3  1  2 

Detached Townhouse

This is like buying you own three bedroom house as it's fully detached. With a massive double garage for the home mechanics or toys, this will surely satisfy. There are two separate outdoor areas with a low maintenance courtyard for entertaining and a large courtyard for the kids to kick a ball or just play. At the rear the owner has also designed a rear access at the complex so you can walk to transport with an easy but near level walk. The property is nearing completion and is available for inspection. It's a great set up and priced right to sell quickly!

Open for Inspection

By Appointment.
