Internally the floorplan is a traditional open plan kitchen, meals & living area all in one - which works beautifully.

The two bedrooms are of good size and conveniently situated around the all-in-one bathroom, with the master benefitting from its own private balcony - an ideal space to soak up the rays in the morning with a coffee, or a chilled beverage in the afternoon.

The unit comes complete with its own allocated undercover carport & shared access to a laundry space (BYO washer).

This fantastic low maintenance option is set within walking distance to Stockland Green Hills, and a short drive to the Maitland Hospital, Private Hospital & a myriad of professional & leisure options close by.

Leasing expectations would land circa \$450pw.
