

2/22 Bonville St, Coffs Harbour, NSW 2450

Sold - \$161,000

Unit 2   

2 bedroom unit walk to City Centre!

This home unit was built about 44 years ago & we auctioned the individual Strata units in 1988.

This unit has a great pair of tenants who are no trouble. They've been in the building many years & used to live upstairs.

The kitchen was re-modelled about 2007 & some renovation was done to the bathroom. The unit is modest in size & has a balcony as well.

The carport is up the end with a covered walkway to connect to the building.
