One of very few ground level units in the complex!

Offering approximately 114m² of well-designed living, this spacious two-bedroom, two-bathroom apartment has a genuine sense of space that can be difficult to find in apartment living.

At the heart of the home is the open-plan kitchen, dining and living area.

The well-appointed kitchen offers excellent storage, stone benchtops, a breakfast bar, a wall oven and plenty of preparation space, while the adjoining living and dining areas provide room to relax and entertain.

But it's the oversized covered terrace that really sets this apartment apart.

Measuring approximately 6.8m x 3.2m, it's a substantial extension of the living space, with plenty of room for an outdoor dining setting, barbecue and entertaining with family and friends.

Private screening and ceiling fans make it a space designed to be enjoyed throughout the year.

Accommodation includes two generous bedrooms, with the master featuring its own ensuite. A full-size main bathroom, internal laundry, air conditioning and ceiling fans add to the home's practicality and comfort.

Residents also have access to the complex swimming pool, creating a relaxed resort-style element without the maintenance.

Positioned in the heart of Cleveland, the lifestyle is all about convenience.

Cleveland's shopping, cafés, restaurants, RSL, public transport and everyday amenities are all within easy reach, while the waterfront and beautiful Moreton Bay are just moments away.
