

2/8 Toormina Pl, Coffs Harbour, NSW 2450

Sold - \$165,000

Unit 2   

2 bedroom home unit in small block close to the City Centre!

We've managed this unit for these people for many years & it hasn't let them down as an investment. There's a good tenant currently in situ.

It's ground floor, with very pleasant outlook to our banana clad hills.

There are only 4 units in the building & there's a big general storeroom about the size of a regular single garage downstairs.

The unit has it's own carport.

Open for Inspection

By Appointment.
