Townhouse 2  2  2 

Contemporary Spacious Seaside Haven

This unique contemporary designed beach home over 3 levels features expansive living and dining areas with high ceilings and soaring walls of glass flooding sunlight into the spacious rooms.

Open mezzanine level, bathrooms on 2 levels, and multiple bi fold doors allowing the occupiers to arrange the rooms into either living or sleeping areas depending on their requirements.

Highly suitable for a professional couple with plenty of space to work from home or wanting to downsize and not wanting to relinquish the comforts and space of true luxury living.

The galley style kitchen features stainless steel appliances, Caesar stone bench tops and plenty of cupboard space. The lovely polished boards enhance the relaxed, yet stylish feel of the property.

The wide North facing deck provides ample space for outdoor entertaining. The large double garage has ample room for 2 vehicles, beach and sporting gear. Only a few minutes walk to Austinmer Beach, railway, bus stop and beach side cafes and galleries of Moore Street.
