Sold - 18/10/2012

Townhouse    

## Unique beachside home

Contemporary classic, this unique beach home features 3 levels of expansive living and dining areas with high ceilings, polished floorboards, and soaring walls of glass flooding sunlight into the spacious rooms. The galley style kitchen features stainless steel appliances, Caesarstone bench tops and plenty of cupboard space, while multiple bi-fold doors throughout allow occupiers to arrange the rooms into either living or sleeping areas depending on their requirements. Perfect for outdoor entertaining, the property features a wide north facing deck and raised garden, and is complete with large double garage. Only a few minutes walk to Austinmer Beach, railway, bus stop and beachside cafes.
